Keeping care in the community

ABOUT US

South Burnett CTC is an Incorporated Association governed by a volunteer Board. We are a not for profit, charitable community organisation and have operated in the South Burnett since 1983.

We are a Public Benevolent Institution (PBI), registered with and monitored by the Australian Charities and Not for Profits Commission.

Government funding must be expended on specific programs and is just enough for the essentials. There is no room for the development of additional or alternative services or to respond to crises. For these things we rely on rare opportunities for fee-for-service activities and grants from philanthropic organisations.
