***Let's make the
South Burnett
the most
accessible
community in
the country!***

In the lead-up to the breakfast, we have asked our local councillors to meet, spend time with, and experience the communities of local people with a disability and/or their families from their perspective.

HEAR THE COUNCILLORS REPORT BACK:

What have they learned?
How inclusive are our communities?
How can we all act to improve the participation of people with a disability in community life?
What can Council do?

Broadcast live with Kratzie on CROW-FM

IDPwD is a United Nations sanctioned day that aims to promote an understanding of people with disability and encourage support for their dignity, rights and well-being. The day also seeks to increase awareness of the benefits of the integration of people with disability in every aspect of political, social, economic and cultural life. IDPwD brings together individuals, businesses, community organisations and governments from every corner of the world to celebrate and acknowledge the contributions, skills and achievements of people with disability.
